

CHES 2008 Call for Sponsors

CHES is the premier forum for presenting new results and scientific advances in all aspects of cryptographic hardware and security for embedded systems. Since its first edition held at the Worcester Polytechnic Institute in Worcester, MA in August 1999, CHES

- has grown to 270 participants representing over 30 countries
- has been held in multiple locations in the U.S.A., Europe, and Asia
- has become one of the most prestigious and competitive conferences in the area of applied cryptography
- has become an international forum for the exchange of ideas among leading representatives of academia, industry, and government from all over the world.

This year's workshop will provide a **special visibility for the sponsors** because

- it is held in Washington D.C., in the close proximity of the DoD and U.S. government offices, the major buyers and users of the cryptographic hardware
- it is the anniversary, 10th edition of the workshop
- it is accompanied by an exhibit of cryptographic hardware
- it will include invited talks and panel discussions related to collaboration among academia, industry and government.

We believe that it is of great benefit for your company to be associated with the workshop in order to gain the international visibility and recognition your company deserves.

You can support CHES 2008 in multiple ways. Please select one or more sponsorship categories from the list below, or simply contact the workshop co-chairs to discuss multiple ways in which you can introduce your company to the audience and contribute to the success of the workshop.

WORKSHOP SPONSOR: \$2000

Benefits:

Workshop Sponsors will have their logo and the associated link to their company's web site prominently displayed on the CHES web site. They will also have their company's logo displayed on all promotional materials and documents associated with the workshop (posters, workshop program, etc.). Sponsors will also be able to provide their product and company info brochures and other materials of their choice for inclusion in the workshop participant bag.

WORKSHOP EXHIBITOR: \$3000

Benefits:

Workshop Exhibitors will be provided with the booth space at the exhibit area of the workshop open to the audience over the entire duration of the workshop.

WORKSHOP STUDENT STIPEND SPONSOR: \$1000 per student

Benefits:

Access to the CVs of all students applying for the stipends. Right to participate in the ranking of candidates for stipends funded by all sponsors. Acknowledgments in the workshop program. Special thanks by a representative of students during the workshop banquet.

WORKSHOP SPECIAL EVENT SPONSOR:

amount of donation to be agreed with the workshop chairs

Special events during the workshop will include: banquet on Monday night, rump session dinner on Tuesday night, trip to the National Cryptologic Museum on Tuesday morning, three lunches, and seven coffee breaks.

Benefits:

Acknowledgments in the workshop program. Clearly visible signs at the special event location acknowledging all event sponsors. Power Point presentation provided by the sponsor may be displayed repetitively on the main screen during the duration of the special event. An opportunity to address the audience during the workshop banquet and/or rump session dinner (granted to the most generous sponsors). Complementary banquet and/or dinner guest tickets.

In order to pledge your sponsorship please contact any or both of the General Co-Chairs of CHES 2008:

Kris Gaj

e-mail: kgaj@gmu.edu

phone: +1 571 218 0270

fax: +1 703 993 1601

Jens-Peter Kaps

e-mail: jkaps@gmu.edu

phone : +1 703 993 1611

fax : +1 703 993 1601

Please note that the number of sponsorship opportunities in each category is limited, so please apply early!
